Dear Diary

Dealing with the side effects of the Risperdal Consta, is not an easy feat. I am actually not very sure why I am in the system from their point of view- i.e. my enemies...Except for the fact that I love Allah, and by His will, I never have, I never will and I never compromise my religion, for anyone or anything

Wa Allahu A'lam

Allahumma baarik 'alainaa Ameen

Alhamdulillah wassalaatu wassalaam 'alaa Rasuulillah

Assalam 'aleikom warahmatullahi wabarakatuh
